## Sacrament of Reconciliation

Sun. 8:00 AM to 8:45 AM  
Other times by appointment

## Low gluten

Those suffering from an intolerance to gluten are advised that St. Paul's keeps Low Gluten Hosts on hand for those who need them. Simply check in with an usher to arrange for one.

## Sacrament of Baptism

Because of the importance of the celebration of the sacrament of baptism, please consider carefully the man or woman of faith you chose to inspire and educate your child in the ways of our faith for the entirety of their lives. We suggest calling the church office during your pregnancy so that a more thorough preparation may take place. Godparents must be practicing Catholics and submit a certificate of eligibility from their parish prior to the Baptism. Baptisms will normally take place at a parish weekend Mass. Date and time will be scheduled by the pastor.

## Sacrament of Matrimony

For adequate preparation, arrangements should be made at least 6 months in advance.

## Sacrament of Anointing

Please let the parish office know if someone is seriously ill. If you know of anyone who is unable to get to Mass, we would be glad to help arrange transportation.

## Membership in our Catholic Community

New members are warmly welcomed and may register by calling the parish office or online. If you move out of the area or change your address, please notify the parish office.

The Church's teaching on human sexuality can be difficult to understand when we have been living in cultures that so often teach the opposite. Some may say that our sexuality is for our own satisfaction over all else, while the Church takes a holistic approach, putting our sexuality at the service of love, which is above all else. With this ordering, sexuality is for the good of couple, and for the good of the children that come from it, and for the good of the unbreakable bond and faithfulness that the couple share. Unfortunately, not every school of thought about human sexuality focuses on these goods, and because of that, people who subscribe to schools of thought that permit pornography, or IVF, or prostitution, or any number of other practices, often end up hurt or objectified. Join us **Tuesday at 7:00 at the Hancock Cinemas** for the new documentary "Sexual Revolution: 50 Years Since Humanae Vitae" which will explore the Catholic approach to human sexuality, especially in light of Pope Paul VI's and John Paul II's teachings. It's well known that these teachings are often unpopular, but so are many other good and true things, and we ought to take study of them seriously, because many good things have come out of them.
